Control No. 2056  
4 August 1954

MEMORANDUM FOR: IWG

SUBJECT : Progress Report on Soviet Trade Trends and  
Tactics Program

1. The attached document is a progress report on the program for developing COCOM and CG consideration of Soviet trade trends and tactics. It was issued as ED/EC D-59/2, July 13, 1954, for consideration at the Executive Committee meeting on July 15, 1954.

2. From time to time, IWG will be requested to provide support for this program and to prepare some of the papers required. The first such request to IWG will be presented by MDAC at the meeting of 5 August.
